

1st Round Super initiative

Kass spreads out and throws a dagger

The rest of the group also spreads out

close burst 5x5 square Cold Fire Pillar
pillar of cold fire from Malak

+13 vs Reflex
Fireburst 3d6 Fire damage

this is about as small a writing as I can manage and I thought it was brilliant

Kron's Clores appear and
focus on Malak beating
him with staves.

We sail to
Hilde in
the Wayward
to Leaf Bay
and Highpyre

Dangerous grinding ice
but we are able to
sail to the ruined docks

The tower (braken)

We meet the tribe

we travel upriver
to "Brugel" (the Hell town)

We stay along a river to
the Fangs and find
a Gellmouth Caverns
entrance with the
smell of sulphur

We spend a day or so
searching the caverns
and eventually find
a cavern with a shaft
of grey light coming out of it

a grey ball in the distance
with stairs heading
down leading to a street
leading to monuments
and homes

crazy chaotic structures
distant rumbling
lost random walkers.

A great chaos beast
The Prodigy(?) which

We are knocked prone by
the earth shaking
and the Prodigy attacks
